Jurnal Riset Gizi (JRG) is a scientific journal that publishes research articles in the fields of public health nutrition, clinical nutrition, institutional nutrition, dietetics, sports nutrition, as well as nutrition policies and programs. JRG serves as a platform for researchers, academics, health professionals, and practitioners to disseminate scientific findings that contribute to the improvement of nutrition and public health.

JRG collaborates with the Asosiasi Institusi Pendidikan Vokasi Gizi Indonesia (AIPVOGI) and the Persatuan Ahli Gizi Indonesia (PERSAGI) in supporting the advancement of nutrition science and the nutrition profession in Indonesia.

All manuscripts undergo a rigorous double-blind peer-review process and adhere to the publication ethics guidelines established by the Committee on Publication Ethics (COPE). All published articles are available through an open-access model, allowing readers worldwide to access and download content free of charge.
